Attention: Mr. Suter

Dear Mr. Suter:

As peryyour telephone request we are sending you the only photograph we could lay our hands on of an English gold coin struck between 1500 and 1600. This is a half sovereign of Elizabeth of England struck about 1592. We trust this will meet your requirements. There is no charge for this. We would like, however, to have you return it at your convenience.

Very truly yours,
